Do you provide activities for children and young people in RBWM?

If so, we invite you to register on this brand new RBWM Young People's website. We want to fill this What's On Calendar with all the activities on offer, so that everything will be in one place and easy to find.

Register as a Provider Administrator on the web link below.

Create an organisation record for group and then create events for all your activities.

It is easy to do and easy to update.

Let's make this a community effort to inspire local young people.

Thank you !
