

# Asian Women's Group - Kushi

19  
Mar

⌚ 10AM to 12PM

📍 Windsor Family Hub, Alma Road. [View map](#)

A support group for Asian women to help them develop and prosper, it aims to change their outlook and understand their situation better.

The programme 'Seven habits of successful people' incorporated within the group helps women cultivate positive habits with the aim of becoming successful and independent, thus improving family relationships and family life. It also includes stress management and personal development regime
