⌚ 1PM to 3PM

📍 SportsAble, Braywick Park, Braywick Road. [View map](#)

Lots of keen shooters take part each week in the air weapons section using both pellet firing rifles or pistols. The section boasts world champions and novice members alike and it is possible that once you've tried the sport you will become hooked. Air weapons takes place in the main hall at SportsAble where we have world-class facilities to ensure that each week the shooters are practising and improving and preparing for competitions. SportsAble has a superb 10m indoor rifle range that is fully equipped with targets, target changers, special lighting and everything that you need to enjoy this compelling sport. SportsAble is also proud to offer two shooting ranges for visually impaired people. Assistance is given through this audio device and also from our regular volunteers. Novices are always welcome - and they will soon pick up the basics and get support from others - and in a few short years they can go on to great things, such as representing the country on the international scene. Our coaches and volunteers work hard to ensure our members enjoy shooting as they help them to achieve their potential. And the sport isn't as scary as it sounds - all you need is a bit of motivation and the patience to learn the technical knowledge and you'll soon learn to love shooting and have fun.

## Taking Part

### **How can a child or young person with SEND take part in this activity**

We think the first time a child or young person visits SportsAble they should have a positive experience. That is why we ask parents/carers to get in touch before their first visit by emailing [sportsdevelopmentofficers@sportsable.co.uk](mailto:sportsdevelopmentofficers@sportsable.co.uk) or calling 01628 627690. We can then have a chat about the young person's needs to ensure the session is suitable and their first visit to SportsAble is a positive experience. We believe that being active is very important to overall health and well-being and a positive first experience will help to encourage regular involvement.
