Every Saturday morning at our Maidenhead track families can join us for a karting session. It starts with a short briefing, followed by a 10-15-minute experience on the track. We welcome children from the age of 8 to take part, and they would need to be able to get in and out of the kart with a parent/carer's assistance.

The session is completely free of charge for your child and your family; however, if you would like to make a donation towards further Absolutely Together programmes, please feel free to make a contribution on your visit, but this is not compulsory.
