## Tennis Foundation

### Organisation Details

#### Description of activity

The Tennis Foundation is Britain's leading tennis charity. They believe anybody can play tennis. Anyone from any background and any community. No matter what their age, shape or ability.

They exist to create opportunities. Their aim is to make it possible for all sorts of people to pick up a racket and take up the sport. Even those people who never dreamt tennis was for them. And especially those who don't normally get the chance to follow their dreams.

Visit their website for information on different schemes, courses, workshops and competitions.
