The Harriet Davis Seaside Holiday Trust For Disabled Children

Organisation Details

Description of activity

The Trust is a registered charity and provides four self-catering holiday houses in Pembrokeshire for families with disabled children at economical prices

The properties are suitably constructed or adapted and equipped to enable disabled children, their families and carers to enjoy the benefits of seaside holidays.

Three houses are in the Tenby area and are fully adapted and equipped for physically disabled children and the fourth, in Narberth, has been adapted for children with autism and other learning disabilities.

Whilst the accommodation provided is primarily for families with children, the Trust is able to permit use by disabled adults if it is not otherwise required. Charges are made for the use of the Trust's properties but these are at economic rather than commercial rates. Please visit the website to see the facilities at each property or get in touch via email, or phone.
